Shall the Comstock Public Schools, County of Kalamazoo, Michigan, be authorized to levy 2.50 mills to create a sinking fund for the purpose of the construction or repair of school buildings and the improvement and development of sites and for any other purpose which may be permitted by law, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of seven (7) years, being the years 2012 to 2018, inclusive?
